COACHELLA: THE ONES WE'RE WATCHING!

Coachella is one of the largest, most famous, and most profitable music festivals in the United States and all over the world. This year it kicks off on 14th April with an astounding audience attendance of 125,000 people per day! The Line-up includes one of our favourite artists, **NEW ORDER**. We'll also be watching **MAC MILLER**, **CRYSTAL CASTLES** and **WARPAINT**. Lady Gaga will be headlining too, her recent duo with **METALLICA** at the Grammys was one of our highlights so far this year. World, Festival Season has started, get rockin' your band tees!

CHVRCHES & KRISTEN STEWART

Kristen Stewart has announced that she's working on a new, "musically oriented" project with Chvrches. The *Personal Shopper* actress shared the news in a recent interview with *The LA Times*, adding that the collaboration would be in aid of Planned Parenthood.

"I had been asking (Chvrches) to let me do something for them for a while," Stewart said excitedly. "They're so good."

TOONS & HUMANZ

The Damon Albarn and Jamie Hewlett-led band, Gorillaz, confirmed their new album 'Humanz' will be released on 28th April.

Gorillaz recently performed a secret gig in London that showcased the new album in its entirety. Guest appearances included Noel Gallagher and Savages' Jehnni Beth. The album also features artists Danny Brown, Pusha T, Jean Michel Jarre, Benjamin Clementine and Anthony Hamilton. Gorillaz have also announced they'll play first North America tour in seven years later this summer. Cartoons and Humanz really can make the music world go round! Our tees are bound to make you 'feel good'...
