ROYAL BLOOD – HOW DID THEY GET SO DARK?!

When Royal Blood first came on the scene back in 2014 they took the rock world by storm. Their debut album, 'Royal Blood', went straight to number 1 and was heard on radio's A playlists everywhere.

They have now returned, stronger, better...apparently. They will kick off their UK/European tour this May then over to the US. Their much anticipated new album 'How Did We Get So Dark' will be released in June.
